MEMORANDUM FOR: Chief, Projects and Procedures Staff

SUBJECT: Revision [REDACTED]

25X1A

REFERENCE: Brief for the Career Council, dated 9 May 1958,
(attached)

25X1A

1. At its meeting on 15 May, the Career Council approved the proposed changes to the Regulation [REDACTED] as shown on the attached. It was agreed that only limited coordination would be necessary since the wording which was examined by the Council was designed to fit the wording and style of the present regulation.

2. The following suggestions are made with respect to the actual revisions:

a) re paragraph 1a(2)

The policy statement "the whole relationship..." should be incorporated as a new paragraph under paragraph 4 "POLICY" and paragraphs "a" through "f" should be relettered accordingly.

b) re paragraph 1b(2)

The statement "if an Examining Panel..." should take the place of paragraph 7a(7)(c)

c) re paragraph 1c(2)

The statement "effective dates of membership" should be a new paragraph (4) following present paragraph 7a(3) and the following paragraphs (4) through (7) should be renumbered accordingly.

d) re paragraph 1d(2)

There should be a new paragraph (e) in present paragraph 3 "Creditable Service"

e) re paragraph 2b

"at the time the husband..." At your convenience, I suggest that you, the Chief, Selection Staff and I get together to work out the details with respect to this paragraph.

SUBJECT: Revision [REDACTED]

3. There will have to be a statement as to what happens to the wife of a husband who is not an employee of CIA and there will also have to be consideration given to LWOP not to exceed a certain minimum or utilization of annual leave as discussed in the staff meeting on 22 May.

4. The most efficacious way of getting coordination probably will be as expressed by Mr. Stewart, through a coordination sheet which would be handcarried to members of the Council. When we meet to discuss the substance of paragraph 2b, we can also discuss format of the final paper in order to reduce paper work to a minimum.
